

Good design. Properly delivered.

Signage, graphics and print for Kent, London and the South East.

The right solution. The **practical details** taken care of.

Purple Frog Signs brings together design, signage, graphics and print—with practical advice and a friendly, experienced team. From Hythe, Kent, we work across Kent, London and the wider South East. Whether you need one sign or a coordinated rollout, we help you choose the right solution, make it look right and manage the practical details.

25+ years' design and signage experience.

One partner for small-format and large-format work.

Exterior signage, wayfinding and site presence.

From idea to installation.

A practical process from first conversation to final fit.

01

Survey and advice

We look at the site, dimensions, access and the result you need.

02

Design and artwork

We develop the design or work with your existing brand guidelines.

03

Manufacture and print

Materials, finishes and production methods chosen for the job.

04

Installation and coordination

Scheduling, project management, RAMS and site awareness.

05

Supply and updates

Supply-only work, replacement graphics and ongoing support.

Reception branding, interior signs and wayfinding.

Exterior. Interior. **Print.**

A joined-up service across signage, graphics and print.

01

Exterior and freestanding signage

Post-and-panel signs, entrance signs, wayfinding, car park signs, monoliths, totems and fascia signage designed for clarity, durability and presence.

02

Interiors and wayfinding

Reception signs, built-up letters, acrylic and stand-off signage, wall graphics, window graphics and internal wayfinding that help a space feel coherent and easy to use.

03

Print, graphics and specialist work

Vehicle graphics, display boards, banners, hoarding, construction signage, exhibition displays and both large- and small-format print.

Thoughtful choices, beyond the signs.

100% electric VW ID. Buzz. Recycled packaging. A practical approach to materials, production and waste. Website hosted with Krystal, a certified B Corp whose data centres run on 100% renewable energy.

One partner, **more of your brand covered.**
